This is to certify that the article

“Electroelastic modeling and experimental validations of piezoelectric energy harvesting from broadband random vibrations of cantilevered bimorphs”

by S Zhao and A Erturk

2013 *Smart Mater. Struct.* **22** 015002

has been selected by the editors of *Smart Materials and Structures* for inclusion in the ‘Highlights of 2013’ collection. Papers are chosen on the basis of referee endorsement, novelty and scientific impact.
